## PERSONAL PROFILE

---

A highly motivated and passionate Software Engineering intern pursuing a Bachelor's degree in Computer Science at Egerton University. Adept at developing scalable and efficient software solutions, with hands-on experience gained through multiple academic projects. I am proficient in a variety of programming languages including JavaScript, Html and modern CSS and familiar with modern development frameworks and tools including React and Node.js. With a keen attention to detail and a passion for continuous learning and improvement, I demonstrate strong problem-solving skills and excel in collaborative team settings. I am committed to contributing to the development of innovative software products that align with business goals.

## EDUCATION

---

**Egerton University** | *Bachelor of Science in Computer Science* | 2020 - Present

- Member ICT club (EUCOSSA)

**KIWAN Computer College** | Certified in Computer Packages
